Dear Mr. Schnoor:

Thank you for submitting the annual progress report and accompanying mine map received February 4, 2016. After review, the Division of Oil, Gas and Mining accepts the annual report for the file and as an amendment to the permit. **Please submit a new 2015 map for Barneys Canyon that includes the Clay Hollow clean up area.**

On April 5, 2011, the Division received a delegation of authority authorizing Kelly Payne to sign documents associated with the Barneys Canyon Mine permit. This delegation of authority has not been updated, so please be aware that only Mr. Payne and members and managers of Kennecott Barneys Canyon Mining Company have authority to sign official documents related to this mine.
